

COVID-19 SUPPORT PROGRAM

Actsafes Safety Association is partnering with Iridia Medical to bring their COVID-19 Support Program to Actsafes members at a **special discounted rate**. Iridia has a team of health care professionals, emergency planners, and educators who are available to support the arts and entertainment industries in all aspects of the COVID-19 response.

This form will provide Actsafes with the necessary information to forward to Iridia Medical so that they can provide you with an accurate quote for the services you need.

There are three services available (please select one):

COVID-19 Compliance Officer Mentorship
\$695.00 per day

Although many productions have designated an individual or team to ensure the necessary plan and measures are in place, they may not have adequate training and experience. In order to bridge potential gaps, Iridia Medical will provide an experienced member of their COVID-19 response team to be available at the production for 3 – 5 days at start-up. The purpose during this time will be to educate and develop the designated future COVID-19 Compliance Officer

Onsite Iridia COVID-19 Compliance Officer
\$650.00 per day

For productions who would like to outsource all aspects related to COVID 19 Health and Safety Iridia, has a team of experienced health care professionals available to assist for the duration of the production. Iridias team member would work closely with the production team to ensure the safety plan is developed following WorkSafeBC guidelines and PHO orders, and implemented as per the current Order from the Provincial Health Officer.

Iridias Advisory Services Rates Negotiable

Iridias team of medical professionals will be your partner in health and safety when you need guidance interpreting Public Health regulations, navigating new waves of infection, dealing with a positive case on-site, setting up testing programs, and steadying operations prior to the arrival of a vaccine. Iridia has been assisting groups across many sectors to build the proactive strategies including a industry specific COVID-19 Impact Mitigation Guides, and are well versed in the need to ensure all stakeholders are provided the necessary information in order to move forward with increased confidence.
