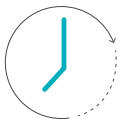
New LPEC Application & Exam Purchase Process



Step 1

Workers must complete at least 800 hours of practical experience to successfully apply to take the exam.

Step 2

Go to **Live Performance Electrical Certification** page on **Actsafe website** (**actsafe.ca**) to purchase the $30 (plus GST) application and exam.

Step 3

After successfully purchasing the application and exam, go to the HOME tab in STAR. Under the ASSIGNED section click on the PDF icon to download the application kit and review the LPEC FAQ.

Step 4

A fully complete application including verification of hours and certification of practical experience form must be submitted to **info@actsafe.ca**.

Step 5

Application is reviewed by Actsafe and an email with an application updated status is sent to the user within 1-2 weeks.

Step 6

User has 3 attempts to pass the exam (in your STAR profile, in the HOME tab under the ASSIGNED section).

Step 7

Once user has successfully completed the exam, a certificate of completion is available under the COMPLETED section of their STAR profile.
